

THIS IS THE MOST IMPORTANT THING YOU'LL SEE ALL DAY.

500 WV RESIDENTS ARE WAITING FOR AN ORGAN DONATION.

Help them receive the life-saving donations they need by registering as a donor and spreading the word about WV Donor Day. On August 1, we're challenging West Virginians to come together on the topic of organ donation and help create a unifying moment across the state!

EIGHT LIVES DEPEND ON ONE DECISION.

West Virginia still has 500 residents waiting for a life-saving organ transplant who are counting on you to register and spread the word about organ and tissue donation. Join us in celebrating WV Donor Day on August 1st, 2021.
